Integrated Disaster Risk Management

IDRiM2023 Conference

13th International IDRiM Conference 2023 (28-30 September 2023; Indian Institute of Technology Roorkee, India)

We are pleased to announce that the **IDRiM2023 Conference** will be hosted by the **Centre of Excellence in Disaster Mitigation and Management (CoEDMM), IIT Roorkee!** This year's conference theme is **'Integrated DRR for Inclusive Sustainable Development: Science, Policy, and Practice Dialogues (InSPIRE-Dialogue)'**. **Integrated Disaster Risk Reduction (DRR)** is a holistic approach to **reducing the impact** of disasters and **promoting sustainable** development. After almost three years of online events, the IDRiM2023 Conference will finally resume with a **face-to-face event!** Meanwhile, an **online channel** will remain **open for young scientists**, welcoming **PhD candidates** and **early-career researchers** to **join and network** in our academic community. Special Sessions related to conference themes are due by **15th May** and abstracts by **31st May 2023**. For more updates, please visit the conference site: <http://idrim2023.com>.

Conferences of Interest

7th International Symposium Natech2023 (29-30 June, 2023; IDMR, Sichuan University, Chengdu, China)

The **7th International Symposium on Natural Hazard-Triggered Technological Accidents (Natech2023)** is jointly organised by [Sichuan University](http://www.scu.edu.cn), [Kyoto University](http://www.kyoto-u.ac.jp) and [Osaka University](http://www.osaka-u.ac.jp). This year's theme, **'Strategies to Address Challenges of Climate Change under a Post-Covid-19 Era'** aims to bring together scientists, administrative organisations, industries, and communities to exchange scientific knowledge in the field of Natech risk management through sharing experiences, good practices, innovative risk assessment methods, sustainable risk management strategies, and comprehensive risk reduction measures on Natech. Abstracts submission deadline: **30th April 2023**. For more information, please visit the **symposium website**.

Publications of Interest

ProCultHer-NET Technical Bulletin issue 1

(ProCultHer-NET, Mar 2023)

This technical bulletin from [ProCultHer-NET](http://www.proculther-net.eu) presents recent developments in the protection of **cultural heritage** in disaster risk management. This issue includes several sections: prevention, focused on gathering **indigenous knowledge** to mitigate climate crisis; **preparedness**, introducing tools developed in Italy for **mapping historic** centres from seismic risk, as well the protection of **movable cultural heritage**; response, presenting lessons learnt from France on the 'security/safety' action plan for cathedrals; and a mainstreaming section dedicated to 'European coordination'.
